Players are placed on teams based on their current grade.

Team will be split evenly with special requests for friends/family playing together considered where possible.

Players must provide their own fielding glove.

Games will be played on Mondays at 5pm.

The focus of this league will be to provide a fun learning environment for the girls.

Games will be 60 minutes in length.

Coaches are asked to umpire from behind the catcher.

The batting order shall remain the same the entire game. All players should remain in the dugout area until they are on deck. The entire team will bat through the order. No outs or runs will be recorded.

Each player will be allowed 4 coach pitches to bat the ball in play. A foul ball on the 4<sup>th</sup> pitch will not count as one of the pitches. If the player does not hit the ball in 4 pitches, the T should be brought out for the player to hit.

Coaches should rotate players so that they can play every position throughout the season.

The goal of this league is to teach the girls some basic fundamentals for softball while also allowing them to have FUN. Emphasis should be on throwing, catching, batting and running the bases.
